All this Month of August we are promoting the need for Hygiene Kits and or the Supplies that go in the kit! We still **only have 15 completed kits** and some of the variety of supplies that go in them ~ Sarah Group will be putting the kits together on September 1st in preparation of them being picked up later in September ~ If you wish to make a donation to purchase items for the kits, please **label your check as "Hygiene Kits"** ~ If you need a list of what goes in the kits, you may pick up a copy on the table outside the Sanctuary!!!!
